EXPEDITED DELIVERY AVAILABLE for most items at an additional \$9.95 for 2nd Day Air or \$13/\$17 for Standard/Priority Overnight. Jewelry-only shipments can be sent 2nd Day Air for an additional \$3. Certain home decorative items are excluded from expedited delivery due to size or weight.

PROMPT DELIVERY Express orders typically ship same day if received by 3 p.m. Mountain Time. Standard ground delivery time is 5-7 business days. Please contact us for quotes on delivery outside the contiguous U.S. Customers are responsible for international duties and taxes.

FURNITURE + LARGE ITEM ORDERS A delivery surcharge has been added for furniture and large items. This charge is listed in parenthesis (\$) after the product price and is in addition to the regular shipping and handling charges.

Large furniture pieces are shipped with a freight company. Sundance will notify you by mail prior to delivery and the freight company will contact you by phone to arrange a time for delivery. Certain areas may require an additional cost and may have specific days for delivery. Items will be brought into the room of your choice and packaging will be removed. Assembly is available for an additional charge. Please contact us for quotes for delivery outside the contiguous U.S.

RETURNS + EXCHANGES Securely repack the item with the return form included and affix the return label provided on your packing slip. If the label provided is a prepaid label take your package to any US mail drop. These packages are automatically insured. We will deduct a return shipping and handling fee of \$7.95 per package (\$12.95 for large packages).

If you are returning furniture or oversized items, live outside of the contiguous US, or prefer to send the return on your own, send to: Sundance Catalog, Returns Department, 2475 South 3200 West, Suite B, West Valley City, UT 84119. For your protection, please use traceable, insured delivery. C.O.D.'s not accepted.

REFUNDS Credit Card refunds will be reflected on your billing statement within one billing cycle. The purchase price of the item will be credited back to your original method of payment.

HOW TO FIND YOUR RING SIZE
Match a circle with the inside of one of your rings to find your size. Half sizes are determined when your ring size falls between two of the circles.
