STONE VARIANCE: Gemstones are gifts from the earth, and each bears the unique coloration given it by Mother Nature. Stones prized for their veining are equally variable based upon the whims of nature's paintbrush. While our artists make every effort to match one piece to the next, a stone's uniqueness is part of what makes each of our offerings an individual work of art.

GIVE THE GIFT OF SUNDANCE OR WRAP IT UP!: A Sundance Gift Card is the most intelligent choice for any occasion. Add our signature Sundance Gift Box to your purchase for $6.50 per item. Wrapped with a hand-tied cotton ribbon, each box includes a complimentary gift message card. Gift boxes are not available for all items.

COMPLIMENTARY JEWELRY BOX: Sundance jewelry arrives in a complimentary box perfect for storing your jewelry.
